Mr. Lazaran,

This email acknowledges receipt of your Right-to-Know request submitted to the Fayette County Recorder of Deeds office.

As set forth on the Recorder of Deeds Right-to-Know page and applied uniformly to all requests received by this office, Right-to-Know requests and responses are published on the Recorder of Deeds website as part of a transparency initiative. Posted materials may include the requester's name, the date and subject of the request, and the agency's response or determination. Personal contact information and any legally protected or confidential information are redacted prior to posting.

The Pennsylvania Right-to-Know Law does not provide a mechanism for a requester to opt out of this uniformly applied and publicly disclosed practice. Accordingly, the inclusion of a request for non-publication does not alter the office's standard handling of RTK requests.

Your request will be processed in accordance with the Pennsylvania Right-to-Know Law and applicable county procedures. A response will be issued within the statutory timeframe.

Sincerely,

Jon Marietta

Fayette County Recorder of Deeds
